

## **BISAC ATHLETICS CHAMPIONSHIPS 2011**

On Saturday 21 May fifty one Shrewsbury athletes ranging from three different age groups travelled to the ISB Track for the annual BISAC Athletics Championships. The competition this year extended to three age groups which meant we had a boys and girls team at U11, U13 and U15 age group.

The meet turned out to be extremely successful for the Shrewsbury athletes. In each event, whether it was a field or track event our athletes demonstrated performances way and above our expectations. All athletes took away personal bests and many achieved podium places for their events.

Individually a special mention must go to **Niew, Neon, Nicholas, Pun, Pon, Ham, Sand, Prae, Jackie, Net, Tim, Klesa, Gigi, Tie, Tim, Proud** and all of the relay teams who demonstrated outstanding performances.

### Team Event:

U11 Boys and Girls 2nd overall

U13 Boys and Girls 5th overall

U15 Girls winners overall

U15 Boys 3rd place overall

In the Team overall event:

BPS     Winners

**SHB 2<sup>nd</sup> place**

ISB     3<sup>rd</sup> place

NIST    4<sup>th</sup> place

HIS     5<sup>th</sup> place

Traill   6<sup>th</sup> place

A fantastic achievement for our team who have worked extremely hard at their field events but it definitely was worth it.

Well done to all our competitors who all deserve a special mention for their performances on a very long and hot day.
