

BISAC U13 Tennis Team Championships

With terrible conditions it was decided that the girls and B Team event was cancelled however after much deliberation and stoppage of play the A Team Tournament continued. This turned out to be cracker of an event with 7 teams participating. Our team of Teem Durongkapitaya, Roy Morakotkarn, Ken Kasin and Patorn Hanchaikul fought extremely hard throughout the singles and doubles games and managed to make it to the 3rd and 4th play offs. We achieved fourth place overall out of seven teams with a young and inexperienced squad which was really promising. A special mention must go to Teem who had a menacing serve and great awareness on the court.

Well done to all the players who will now be looking forward to the singles tournament on the 29th October. The B Team and Girls event will be rescheduled for later in the month.
